

TRANSFORM2019

Catalyzing action starts with you!

Thank you for your interest in [Mayo Clinic Transform 2019](#). We are currently accepting speaker proposals for 2019 and look forward to learning more about how your unique background and expertise aligns with our mission to boldly create a more sustainable future of health care.

Since 2008, Mayo Clinic Transform has been the premier platform to proactively confront critical issues, share meaningful insights, and catalyze actionable change. Your participation is key as we inspire fresh collaborations, incubate new ideas, and spark a movement to transform health care.

Please review the following engagement opportunities and send completed forms to txfm@mayo.edu for consideration in 2019.

Presentation/Engagement Opportunities Offered at Mayo Clinic Transform 2019:

Main Stage- Transform features a series of main-stage presentations where speakers engage the audience on a specific topic or issue for approximately 20 minutes, followed by an “unpacking” Q&A conversation. Visit our [Transform speaker page](#) for examples.

Breakout Sessions- Collaboration and action are hallmarks of Mayo Clinic Transform, as we offer a variety of engaging breakout sessions that connect the themes and insights of our main-stage presentations. We are seeking session facilitators for several 90-minute activity-based sessions that inspire fresh perspectives, unexpected ideas, and creative solutions to critical health care issues.

PechaKucha- Returning for a third year at Transform, [PechaKucha](#) presentations allow audience members to share their expertise on a transformational health care topic. This energetic, rapid-fire format allows presenters to share up to 20 engaging slides that are timed to move and advance throughout a five- to seven-minute session.
